For more details regarding the hostel 'Click' [HERE](#)

Coniston Copper Mines YHA has been booked for our exclusive use for the weekend. It can accommodate 25 people, if we use all the bunks and single occupancy of the two double beds in two of the bunk rooms. Couples will need to share rooms – based on those who earlier “expressed interest”, and assuming they are all still interested, we are close to capacity, so please get your booking and payment in ASAP to avoid disappointment!

Bedding is provided, but this hostel is self-catering, so a decent pub will be found for a meal on Saturday night - there are several pubs in Coniston, but will probably go to The Sun Inn, the haunt of Sir Donald Campbell of water speed record fame, who died on Coniston Water in 1967, which is the closest pub to the hostel. Bluebird K7, Campbell's restored boat is housed in The Ruskin Museum in Coniston and is well worth a visit.

The hostel is on the approach to the **Old Man of Coniston** and Graham will lead a walk to the summit, weather permitting, on the Saturday and for those who want something Moderately Challenging. Julie has offered to lead a more challenging walk for all you roughy toughy's!!

Pets are allowed in the hostel, as it is exclusive use.

Unfortunately, Tents and Motorhomes are not allowed on the site.

The accommodation cost for 20 people attending, as this seems to be about the norm for the Spring Meet, will be **£68 per person** for the two nights.

Please return the Booking Form with full payment or a deposit of £28 per person
